

ANNIVERSARIES

MURZABEK IMANALIEV-80

13 September 2011 is the 80th birthday anniversary of Doctor of physical-mathematical sciences, Professor Murzabek Imanaliev. Murzabek Imanaliev was born in 1931 in the Kyrgyz Republic. He graduated from the Kyrgyz State University in 1953. He got his Doctor of Sciences degree in 1965. In 1979 M. Imanaliev was elected as an active member of the National Academy of Sciences of the Kyrgyz Republic and in 1981 corresponding member of the Academy of Sciences of the USSR.

Since 1984 he is a Director of the Institute of Mathematics of the National Academy of Sciences of the Kyrgyz Republic. Since 2002 M. Imanaliev is a President of the Kyrgyz Mathematical Society. He is an author of more than 200 scientific works, including 8 monographers, 2 textbooks. M. Imanaliev is well known specialist in the theory of differential and integro-differential equations and its applications. He is the member of the International Advisory Board of the "TWMS Journal of Pure and Applied Mathematics".

The Editorial Board of our journal congratulates Professor Murzabek Imanaliev on the occasion of his 80th birthday and wishes successes in his multibranch activities.

AMANBEK JAINAKOV- 70

7 October 2011 is the 70th birthday anniversary of Doctor of physical-mathematical sciences, Professor, the active member of the National Academy of Sciences of the Kyrgyz Republic Amanbek Jainakov, the honored scientist of Kyrgyz Republic. Amanbek Jainakov was born in the Talas region of the Kyrgyz Republic. In 1963 he graduated from Kyrgyz State University. A. Jainakov got his Ph.D. degree in 1970 and Doctor of Sciences degree in 1984 in Novosibirsk, Russia.

In 1989 A. Jainakov was elected a correspondent member and in 2000 the active member of the National Academy of Sciences of the Kyrgyz Republic. In 1976 under the supervision of A. Jainakov the Republic Interuniversity Computer Center, subsequently - Institute of Computer Science and Information Technology which became a basis of a computerization of the education system was created. He was its permanent Director till 2003. Since 2009 he works as a principle research assistant of the Institute of Physicotechnical Problems and Materials Technology and adviser of Presidium of National Academy of Sciences of KR. A. Jainakov is an author of more than 300 scientific works, including 11 monographies, 10 textbooks. Many of his works are published in Germany, Italy, Japan, England, Korea, Serbia, Russia and etc. He is a member of the Editorial Board of several mathematical journals. A. Jainakov combines scientific organization activity with the pedagogical. He works during 47 years in the high schools. A. Jainakov is a vice-president of the Turkic World Mathematical Society and is doing all his best for development of this Society.

The Editorial Board of our journal congratulates Professor A. Jainakov on the occasion of his 70th birthday and wishes him further successes in his activities.

SHAKIR FORMANOV - 70

20 February 2011 is the 70th birthday anniversary of Doctor of physical-mathematical sciences, Professor Shakir Formanov, an active member of the Uzbekistan Academy of Sciences. Shakir Formanov was born in 1941. He graduated from Faculty of Mathematics and Mechanics of Tashkent State University in 1963 (Department of probability theory and mathematical statistics). Sh. Formanov got his Ph.D. degree in 1968 and Doctor of Sciences degree in 1976. He is an author of more than 150 papers.

In 1975 Sh. Formanov was awarded the State Beruni prize of Uzbekistan for a series of investigations on limit theorems of probability theory (jointly with S.Kh. Sirajdinov and T.A. Azlarov). He is well known specialist in probability theory and mathematical statistics. Presently Sh. Formanov is a Head of the Department at the Institute of Mathematics of the National University of Uzbekistan. He is a member of the Editorial Board of the "TWMS Journal of Pure and Applied Mathematics" and is doing all his bests for development of this journal.

The Editorial Board of our journal congratulates Professor Shakir Formanov on the occasion of his 70th birthday and wishes him continuing good health, new beautiful theorems in his favorite topics and in new ones, new brilliant pupils.
