### **1<sup>st</sup> International Eurasian Conference On Mathematical Sciences and Applications (IECMSA) Prishtine, Kosovo, 3-7 September, 2012**

The "1<sup>st</sup> International Eurasian Conference on Mathematical Sciences and Applications (IECMSA)" jointly organized by Bilecik University, Kocaeli University, Sakarya University and Prishtine University was held in Prishtine, Kosovo on 3-7 September, 2012.

The aim of the conference was to bring the mathematical society all over the Europe and Asia working in the new trends of applications and progresses in mathematical science in Prishtine, Kosovo.

The organization scheme of this conference was formed by Organizing, Scientific and Honorary Committees, formed from different worldwide Universities.

The talks were presented in the following sections: Mathematics, Mathematical Statistics and Mathematical Modeling in Environmental Sciences, Mathematics Education, Biomathematics and Financial Mathematics.

The list of invited speakers included 6 well-known experts. The following invited lectures were presented at the plenary sessions: A. Sostak (University of Latvia, Riga, Latvia); F. A. Aliev, N. Ismayilov (Baku State University, Baku, Azerbaijan); H. H. Hacisalihoglu (Bilecik Seyh Edebali University, Bilecik, Turkey); H. I. Miller (International University of Sarajevo, Bosnia and Herzegovina); P. Sole (University of Nice Sophia Antipolis, Nice, France).

The first three days was organized for the scientific discussions and talks and the remaining two days for the social program. In the social program, there were trips to historical and tourist places of Kosovo.

All submitted materials were per reviewed. The selected papers are planning to be published in "Applied and Computational Mathematics", "TWMS Journal of Pure and Applied Mathematics", "TWMS Journal of Applied and Engineering Mathematics", "International Electronic Journal of Geometry", "Mathematical Sciences and Applications E-Notes".

It was decided to continue this series of International Eurasian Conferences on Mathematical Sciences and Applications in different countries and cities of Europe and Asia.

**TWMS Vice presidents**

*Prof. Altay Borubaev, Prof. Nargozy Danaev*

**"TWMS Journal of Pure and Applied Mathematics"**

*Managing Editor Gamar Mammadova*

**Organizing Committee IECMSA**

*Prof. Dr. Murat TOSUN*
