Application form mySNF

Instrument: Joint research projects (SCOPES)

Part 1: General Information

Basic data

| | |
|---------------------------------|--|
| Project Title | Interactions of nanoparticles with membrane systems of cells of higher water plants - towards mechanisms of nano-phytotoxicity |
| Project title in English | Interactions of nanoparticles with membrane systems of cells of higher water plants - towards mechanisms of nano-phytotoxicity |

| | |
|------------------------|---|
| Research Field | Mathematics, natural sciences |
| Main Discipline | 20709 Other disciplines of Environmental Sciences |

Applicant(s)

| | |
|--------------------|-------------------------------|
| Main Applicant | Andrzej Sienkiewicz |
| Other Applicant(s) | Laszlo Forro Ismat Ahmadov |

Grant Application

| | | |
|-------------------------|-------------------|----------------|
| Amount requested (CHF) | Total | 105'000 |
| Requested starting date | 01.01.2010 | |
| Duration (months) | 36 | |

Attachments

| | |
|------------------|---|
| Research plan | SciencePart_Sienkiewicz.pdf |
| Curriculum vitae | CV_Sienkiewicz.pdf CV_Forro.pdf CV_Ahmadov.pdf |
| Publication List | Publist_Sienkiewicz.pdf Publist_Forro.pdf Publist_Ahmadov.pdf |
| Cover letter | Cover_Letter_Andrzej_Sienkiewicz_041309.pdf |

Documents sent by surface mail

The main applicant confirms hereby that the details given in all parts of this proposal including the attachments are correct. They were prepared in agreement with the persons involved.
